Tony and Tongee – Derek, Eric and Ed received an email from the R6HarveyFSC@epa.gov inbox informing them of the need to amend their people plus for pay period 24 and/or 25 since they originally charged their overtime hours toward the Superfund account. Let me know when their people plus has been appropriately.

By the way, the REOC Finance Section recommends we use the attached spreadsheet to track our hours as it calculates all OT including night differential.

Hello,

You have been identified as an individual who charged overtime in PPL+ for pay period ending 9/2/2017, for work in direct support of the Hurricane Harvey Response. Due to system limitations in PPL+ in loading Mission Assignment specific account codes prior to the pay period ending, you were not able to reflect what overtime was worked related to the Harvey Response by directly charging the Mission Assignment.

Now that the account codes have been loaded into your PPL+, please go back into the pay period ending 9/2/17 and amend your overtime to reflect the proper Harvey charge code from your favorites: **16/17 BR 06LOX13 303DC6 H001**

Please do not attempt to amend a prior pay period until **Tuesday, September 19th** since PPL+ will be locked. If you have any questions please contact the R6HarveyFSC@epa.gov mailbox.

Thank you.
